About this catalog:

This catalog represents our *graphic-style* of mascots for older students, in high school.

We also have *cartoon-style* mascots for elementary schools. Please see our other catalogs.

This catalog features a graphic horse, but it can *easily be changed* to whatever your mascot is. We can work with a mascot you provide us, or design one for you.

The *colors can be changed* to match your school colors.

The *wording can be changed* to match copy from your matrix and PBIS program.

We're glad to customize everything to give you exactly what you want.

If you want something you don't see, please ask. We make magic happen for our loyal customers!

Thanks for considering Mascot Junction!
