Our most popular items. Our Welcome Banners and Posters create a sense of community, inclusiveness and provide a framework for making good decisions.

Did you know that **97%*** of people remember what their high school mascot was; and will **remember it for life!** Why? Because it's part of their personal history, and how they see themselves. It's part of their **self-image**. That's why using mascots as a memory hook for teaching **core values** works so well.

They stick with the child and become **guiding principals for life!**

*The other 3% were home schooled and/or didn't have a mascot at their school. These were the results of a survey taken in 2019.

Reduce incidents of bullying as much as 90%.

In a recent study, one inner-city school documented the impact of decorating their restrooms with positive messages, and the results were astounding. Incidents of bullying were primarily occurring in the restrooms. Over the course of one semester, administrators reported 32 incidents. During the holiday break, they decorated each restroom with positive affirmations and cheerful designs. The following semester, they documented one single incident of bullying in the same areas - more than a 90% decline in incidents. Since then, the school expanded its positive messaging into stairwells and is seeing similar positive results throughout the entire school.

Standard size is 24" x 6" - fits most restroom stall doors. Custom sizes available upon request.

FREE Short Story

Download a version of this story featuring your mascot and use it to create a supportive and inclusive school climate.

It was Eddie's **first day in school**, and while eating lunch in the cafeteria, he saw a girl named Emma drop her tray, and "**Ka-blash!**" Her lunch spilled everywhere. Rather than get upset, Emma pronounced, "Well, this is a **great day to be an eagle**," and proceeded to pick up the mess. A boy named Earl **stepped in to help**. She smiled, and said "Thanks!"

Later, while playing at recess, Eddie saw Emma **trip and skin her knee**. He could tell it hurt, but was surprised by Emma's reaction.

After brushing a tear from her cheek, she said, "This is a **great day to be an eagle**." Then a girl named Elaine came up to her and said, "You should get a **bandaid** on that. Let's go to the **nurse's office**."

Emma smiled and said, "Thanks!"

On the bus ride home, Emma's backpack **unzipped**, and everything **fell out** on the floor. Again she said, "This is a **great day to be an eagle!**" This time Eddie stepped in to help pick things up, then he asked her, "Emma, I've seen **three bad things** happen to you today, and each time you say 'This is a great day to be an eagle.' Why do you say that?"

© Copyright 2019 Mascot Junction, Inc.

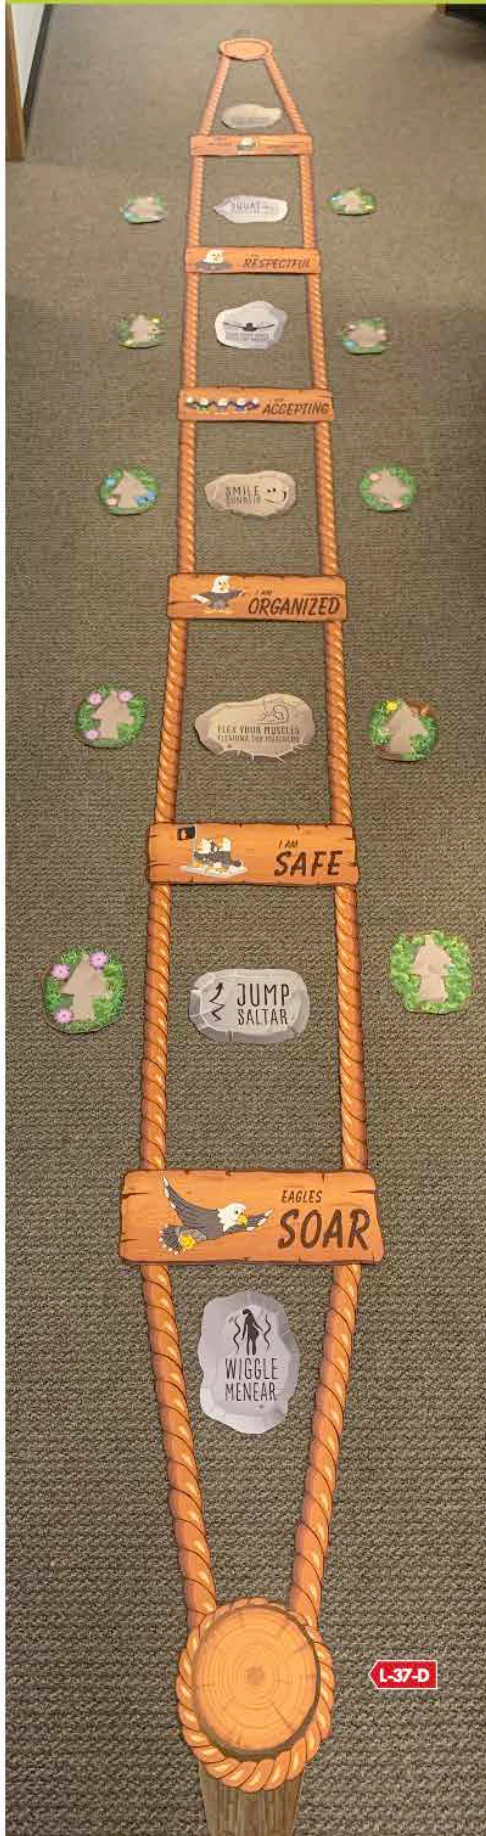

Emma replied, "Here at this school, we are **all eagles**. We have **eagle friends**, and we all care about each other, and help each other. **It's the eagle way**. So no matter what happens, I know I have friends who **care**, and will **help** me. That makes every day a **great day to be an eagle!**" After all of her things were gathered up, Emma smiled and said, "Thanks for your help! Isn't it a **great day to be an eagle!**"

FAQs...

What if I just want a quote (not ready to buy)?

There is no obligation to buy when getting a quote.

How do I make a revision to a Quote?

1. Click on "My Account."
2. Click on "Quotes" on the left side.
3. Click the "View" button
4. Click on "Edit Quote."

This takes you to the shopping cart pre-loaded with all your products. You can add and subtract products from here, and get a new quote.

How long are quotes good for?

30 days from the date on the quote.

Do I have to create an account to get a quote?

Yes, but it doesn't include any charge card or payment information. It is just so you can log back in and revise your quotes, and so we can collect information that will help us fill your order. Things like: school colors, your mascot, your logo, your acronym or PBIS theme, etc.

How do you know what to put on my posters, etc.?

Our quote site captures information about your school's name, colors, acronym/theme, wording, logo and mascot when you request a quote. You can also e-mail additional instructions or files you want to info@mascotjunction.com and we'll pair it up with your quote in your project file.

Do I get to see proofs?

Yes. You get to review, revise and approved everything before it is printed and delivered to ensure you get exactly what you want.

When do I get to see design proofs?

We begin the design process once we receive your PO or a form of payment (charge card or check). One of our Designers will be assigned your project and they will communicate directly with you and send you proofs. Turn-around times for the first set of proofs depends on how busy we are. Typically it's 3 to 5 business days (October thru February) and 7 thru 10 business days during the busy Spring and Summer months. We strive to turn revisions around within 24 to 48 hours.

How long does it take to fill an order?

Typically it is between 3 and 6 weeks, but there are many variables. You can speed up the process by providing timely reviews and approvals. Some products (floor mats) have longer lead times than others. If you have a deadline you want to hit, let us know and we'll see what we can do. Summer is our busy season so delivery times may get extended. Plan ahead and order early.

How do I know when my order has shipped?

You will get tracking information via e-mail as soon as your items have shipped. We ship from various locations, depending on what type of product it is, so you may get more than one set of tracking information.

What if I want something more mature looking for a high school or middle school?

We have design solutions for older students. Just let us know and we'll custom design something you'll love.

Can you put MY logo or mascot on the posters, signs, etc.?

Yes. Just send us what you want to use to info@mascotjunction.com

What do you mean by "vector art?"

"Vector" format is the preferred format of art files for printing because they can be enlarged without pixelizing or making the image fuzzy. Vector images typically have the suffix of: .AI (Adobe Illustrator), .EPS (Encapsulated Postscript), or .SVG (Scalable Vector Graphics). Some .PDFs can be vector, but not all.

What if I don't have a vector version of my logo or mascot?

Send us what you have and we'll evaluate it to see if we need to re-create it in vector format or not. If it's fairly simple we'll vectorize it for free. If it is quite ornate and/or low resolution, there might be a re-creation fee.

What if I only have a PNG or JPEG version?

If the resolution is high enough, we can make it work. If not, we'll have to re-create it.

Can you use the logo in my e-mail sig?

E-mail sig logos are low resolution and while they may look good on your phone and in your e-mails, they will not enlarge without pixelizing and looking bad. Whenever we have to use an e-mail sig logo we have to re-create it.

What is meant by "Role Model Illustrations?"

Matrix and Rules Posters feature illustrations of role models visually demonstrating what the positive behaviors look like in different areas of the school. We offer 3 types of role model illustrations: 1-mascot, 2-children or 3-teenagers. You can also choose "no role model illustrations" but non-readers lose the benefit of visual examples.

Do you take POs and charge cards? Yes.

How do I get Mascot Junction set up as a vendor?

Simply send your request, and the required paperwork or link to an online form to info@mascotjunction.com.

Mascot Junction is a **Sole Source Provider**, and the **ONLY** company that has more than 30,000 illustrations specifically designed for PBIS matrix and rule posters. Download our Sole Source Provider Affidavit at mascotjunction.com

Competitive Quotes Not Necessary

You may not need competitive quotes because of our Sole Source Provider status. Any competitive quote would not be "apples-to-apples." Check your purchasing policies to see.

Meet PBIS Posting Requirements

PBIS schools must post "visual examples" of positive behaviors in at least 8 different areas. Our trademarked illustrations are designed to meet this requirement in posters, banners & signs.
