RACE TRACKER ATTENDANCE TRACKING SYSTEM

Create races against classrooms, grade levels or both.

Use magnetic cars to track progress.

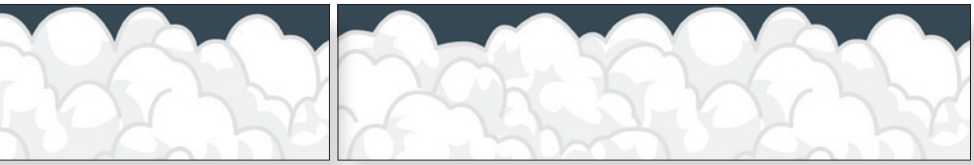

Customized with your own race rules.

Reward students with stickers.

Get parents involved with fridge magnets for tracking absences.

Use magnetic race cars and progress bars to track attendance.
Each car features your school mascot wearing your school colors.

REWARD STUDENTS SOLD SEPARATELY

Race Car Stickers and **Collector Cards** are a fun and engaging way to keep students focused on good attendance throughout the year. Give out stickers once a month for reaching attendance goals. 10 stickers - one for each month of a school year. Encourage students to collect all 10.

Card/Sticker Bundles are available by student population.

GET PARENTS INVOLVED! SOLD SEPARATELY

Home Magnets gives parents a way to track their child's absences and make them more aware of the impact attendance has on their child's future.

RACE TRACKER

RACE TRACKER gives you multiple ways to make attendance tracking fun and engaging for your whole school.

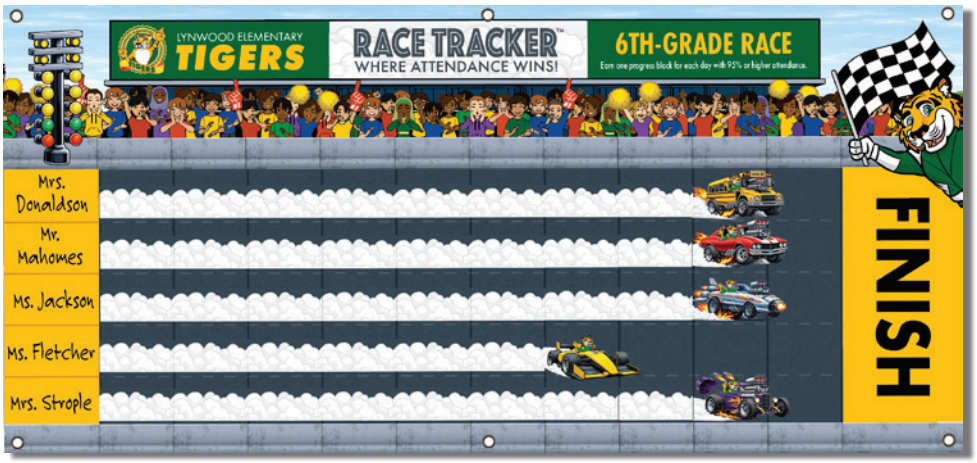

RACE TRACKER	Application	Purchase Unit
Class-vs-Class	Classrooms within a specific grade level compete against each other for the best attendance.	One per grade level
Grade-vs-Grade	All grade levels compete against each other in a school-wide attendance competition.	One per school
School-Wide Bundle	Combines Grade vs. Grade with Class vs. Class trackers for every grade level, creating a comprehensive school-wide attendance program.	One complete school package. Discounted for savings. Custom quantities for your school.

CLASS-VS-CLASS

Create an exciting attendance competition between classrooms within the same grade level. Each Race Tracker is displayed in the grade-level hallway, encouraging friendly competition and improved attendance.
