

# BAR CHART ATTENDANCE TRACKER

made with MAGNA-TRACK™ magnetic vinyl

## Turn attendance tracking into a visual game students are excited to win.

Create a **school-wide** competition with a single BAR CHART that includes one column per grade.

Create a **grade-level** competition with separate BAR CHARTS for each grade level, each with one column per classroom.

Create a **comprehensive** competition by using both school-wide and grade-level BAR CHARTS. (Best solution)

### Magnets Make it Easy

BAR CHARTS are printed on MagnaTrack magnetic vinyl. The movable blocks are magnets. Easy, simple and reusable.

### Flexibility Makes it Perfect for Your School

Each BAR CHART is customized with:

- Your school name, logo/mascot, and colors
- Custom wording and rules
- The number of columns and tracking blocks you need

### Make your own rules. Choose your:

- Number of columns per BAR CHART ( 3 to 7). One per grade for school-wide tracking. One per classroom for grade-level tracking.
- Tracking frequency: daily, weekly or monthly
- Tracking goal (95% attendance is a popular benchmark)
- Prizes and incentives (you provide)

**Use your imagination!** If you have an attendance tracking concept that you'd like our product development team to bring to life, PLEASE LET US KNOW. We get our best product ideas from people like you.

### Why Schools Love BAR CHART Attendance Tracker

- Keeps attendance visible and top-of-mind every day
- Builds excitement through friendly competition
- Encourages accountability at both classroom and school levels
